

## Weekly Choice Board

Be sure to document evidence of learning (videos, photos, notes/journaling, completed printables, etc.) and upload onto the ClassTag home page, or in a private ClassTag message!

[Math]	[Reading]	[Writing]	[Miscellaneous]
<p style="text-align: center;">[Core Content]</p> <p>Log in to <a href="#">Khan Academy Math</a> and complete at least 3 lessons. If you don't have internet access, complete the math pages in your packet.</p>	<p style="text-align: center;">[Choice Reading]</p> <p>Read at least 75 minutes and fill in your <a href="#">Reading Log</a>. A popular way to split this up is to read 15 minutes per day, Monday-Friday.</p>	<p style="text-align: center;">[Core Content]</p> <p>Choose <b>at least 2 ways</b> to practice this week's <a href="#">spelling words</a>. Then complete <a href="#">Paragraph of the Week (2)</a>.</p>	<p style="text-align: center;">[Office Hours]</p> <p>Attend at least one phone or virtual "office hours" session to connect with your teacher and ask questions. <b>See ClassTag for Zoom Info</b></p>
<p style="text-align: center;">[Playing Card Challenges]</p> <p>Play multiplication War, or check out this link for almost 70 other ideas for math games with playing cards! <a href="#">Hit the Deck: A collection of math lessons</a></p>	<p style="text-align: center;">That's Comical</p> <p>Read an article in the newspaper or a chapter in a book and draw a comic strip to show the important events. Bring the text to life with images and captions.</p>	<p style="text-align: center;">I've Got the Music in Me!</p> <p>Compile a playlist for your current mood. Your playlist must have a minimum of <b>10 songs</b>. Give your playlist a name, describe the overall vibe of your playlist and explain why you selected these specific songs.</p>	<p style="text-align: center;">Look and You Will Find</p> <p>Choose your favorite sport, movie, book, or subject and use that as inspiration to create a scavenger hunt with clever clues. Once you've finished, invite someone in your family to try and figure it out!</p>
<p style="text-align: center;">[Technology Corner: Math Games]</p> <p>Log in to <a href="#">Prodigy</a> or <b>Splash Math</b> and play for at least 15-20 minutes, at least 3 days this week..</p>	<p style="text-align: center;">[Technology Corner: Time For Kids]</p> <p>Choose an article in this week's <a href="#">Time for Kids</a> magazine and create a 5 question quiz- WITH answers!</p>	<p style="text-align: center;">[Technology Corner: Word Games]</p> <p>Have a grownup make an account. then play <a href="#">reading and writing games</a> at least 15 minutes, 3 days this week.</p>	<p style="text-align: center;">[Technology Corner: Daily Stem]</p> <p>Work through <a href="#">The Daily STEM</a> a little each day!</p>
<p style="text-align: center;">[Chopped: Home Edition]</p> <p>Choose or create a recipe to cook-but <b>DOUBLE</b> the recipe! Write down the original ingredients list and measurements, then record your work and final measurements as you double the recipe. It's math you can eat!</p>	<p style="text-align: center;">[Student Read Aloud]</p> <p>Choose a picture book, short story, or poem that you love. Practice reading it aloud a few times, focusing on your rate and expression. Then, take a video of yourself reading aloud and send it to me!</p>	<p style="text-align: center;">[Creative Writing]</p> <p>Write a letter or short story using 10 or more spelling words.</p>	<p style="text-align: center;">Jingle All The Way</p> <p>Think about an item or product in your home that has been unexpectedly useful while you have been stuck at home. Write a jingle that could be used in a commercial to advertise the benefits of this random item or product. <b>*Bonus:</b> If you play an instrument, put the jingle to music!</p>
