

1st Grade Home Learning Choice Board

May 18 - May 22

Choose two activities to complete in each row/subject.

Send your teacher a picture or video of your learning!!!

<p>Math</p>	<p>Find something to measure with (standard or nonstandard); measure the people in your house; list them from shortest to tallest. (See Mrs. Beery's Video)</p>	<p>Using two cards, create a two-digit number. Tell how many tens and ones it has. 34 has 3 tens and 4 ones. Repeat 4 times</p>	<p>Solve the following subtraction problems. 10-4= 10-7= 15-5= 20-10=</p>	<p>Grab a big handful of two different snacks or objects in your house. Count how many of each you have and compare using <, >, =</p>	<p>Is this true or false? Draw a picture to prove. 5+6 = 4+9</p>
<p>Literacy</p>	<p>Rewrite this sentence using correct punctuation. <i>i love to eat grapes cheese crackers</i> (See Mrs. Rawson's Video)</p>	<p>Write all lower-case letters in order. Choose 5 and draw a picture that begins with that letter.</p>	<p>Find a brush or a microphone. Re-read a story as though you are an actor or actress on stage!</p>	<p>Create a sentence with the following sight words: <i>because after them</i></p>	<p>Make a list of five words that rhyme with <i>hose</i> Now, draw a picture to go with each word.</p>
<p>Writing</p>	<p>Write a step by step guide on how to brush your teeth.</p>	<p>Write a summary of a book or movie.</p>	<p>Finish this sentence: If I could have a superpower I would...</p>	<p>Write about the funniest thing that has ever happened to you.</p>	<p>Write description clues for a mystery animal. (See Mrs. Daniels' Video)</p>
<p>Enrichment</p>	<p>Make a book! Illustrate the pictures and/or become an author by writing the words on each page. Share it with someone!</p>	<p>Design a Field Day obstacle course with things you have at home. Then, you can build it and time yourself doing it.</p>	<p>Design and create a model of a zoo exhibit for an animal of your choosing. Share your exhibit during a Zoom!</p>	<p>Design and build a boat that won't sink. Journal about your experiment. (see Ms. Thisis' video)</p>	<p>Using things you have at home make a musical instrument and share your creation with Mrs. Baker.</p>
