

Third Grade Choice Grid

June 8-12, 2020

Choose 2 activities from each subject area (row). Try something new each week.				
Reading	Listen to Mrs. Streeter read, Just Plain Fancy by Patricia Polacco.	After listening to the story, Junkyard Wonders, and listening to Mrs. Sullivan's instructional video, create your own Junkyard Wonder.	Choose one of the daily activities from the Scholastic News website. Read the article and answer any questions. Open the link below. *Scholastic News*	Read for 30 minutes from a book of your choice.
Writing	Draw a picture of the Junkyard Wonder you created. Write a paragraph describing your wonder	Finish paragraphs 1, 2, 3, 4, and 5 of your essay about your gourd plants. See Mrs. Caryl's instructional video from last week.	Look through your essay and decide where you can make some revisions by adding adjectives. See this week's instructional video by Mrs. Caryl.	Spend 20 minutes on Typing.com. Contact your teacher if you need your login information.
Math	After creating your Junkyard Wonder, make a picture graph of the materials you used. Watch Mrs. Streeter's instructional video to see how her special guests created	Let's play with division! Solve these division facts: $10 \div 5 =$ $8 \div 4 =$ $4 \div 2 =$ $2 \div 6 =$ $6 \div 3 =$ $2 \div 1 =$	Spend about 20 minutes on Prodigy. Contact your teacher for your login information.	Complete a Daily Math Activity from The Math Learning Center. Open the link below. *Daily Math Activity*
Science	Watch this Mystery Science video lesson about animal traits and adaptations. How long can people and animals survive in outer space?	Learn about SpaceX and the Falcon 9 Rocket here and take a look inside the Crew Dragon space craft here . Then, use materials around your house to create your own rocket or spacecraft for astronauts.	After watching this video , use a dictionary (either online or a book) to define these scientific words: *orbit *trajectory *ascent	Watch the actual launch of SpaceX Falcon 9 and Crew Dragon here as astronauts Bob Behnken and Doug Hurley fly into space! Would you like to join Bob and Doug on their journey? Why or why not?
Specialists	Mrs. Sheeley's Website	Mrs. Baker's Website	Mr. Carlquist's Website	Mrs. Brown's Website

Check out [Mrs. Day's website](#) for her Office Hours and email link as well as for links to other websites.
