STUDENTS ACCESSING EASYBRIDGE CLASSES IN REALIZE

Do not use this process if your teacher is using **CANVAS**

In EasyBridge:

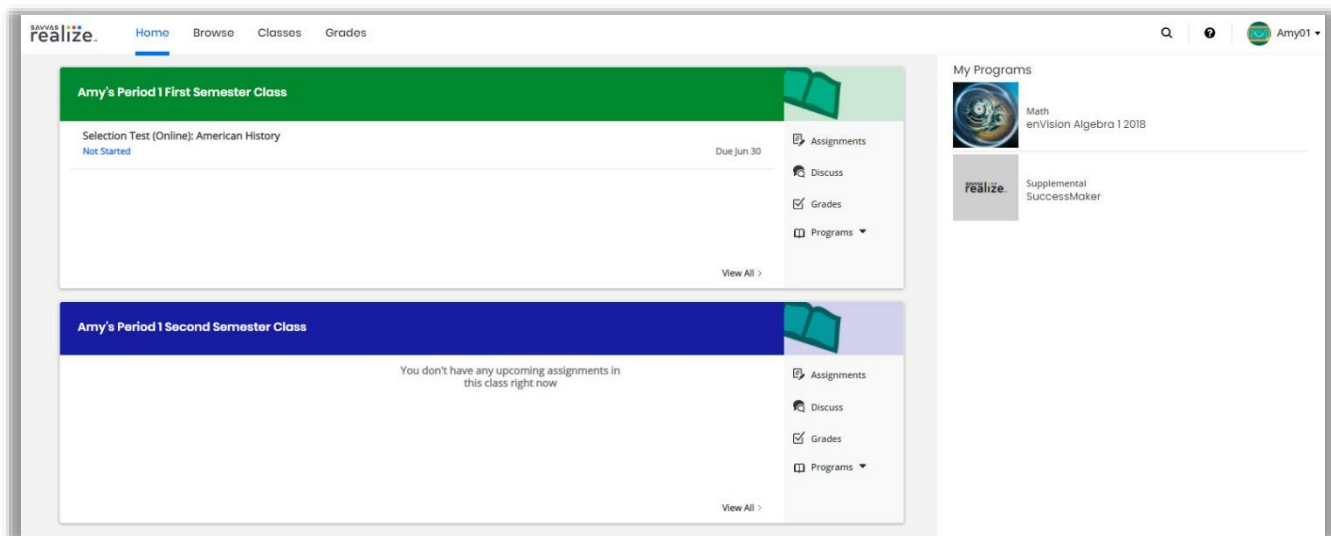

1. Open Realize by clicking the name of the textbook or the Realize button:

2. The first time Realize is launched from EasyBridge, initialize the account – pick background, icon, etc.

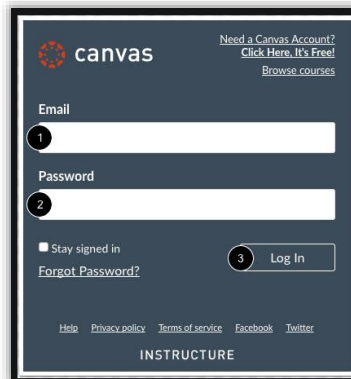

3. In Realize, go to the class, and select the assignment

Now that you are in Realize, get started with [Realize Online Help](#)

STUDENTS ACCESSING REALIZE CONTENT IN CANVAS

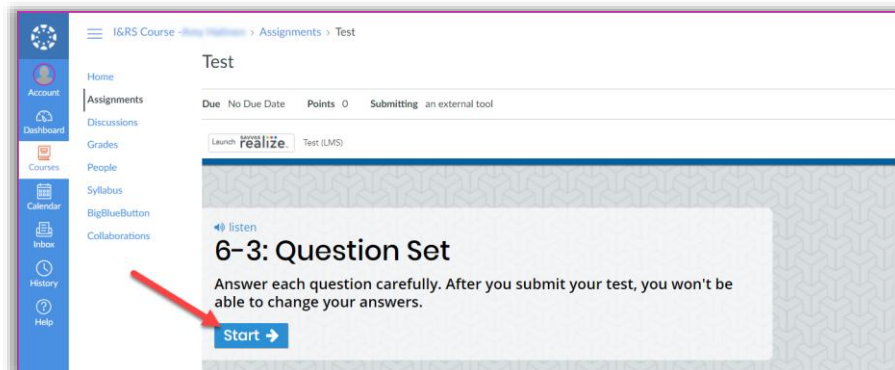

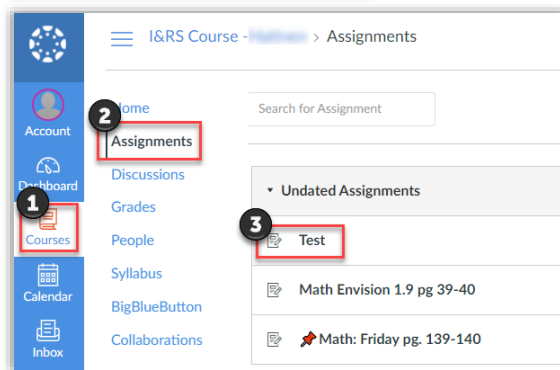

1. Log into Canvas:

2. Go to Courses, then Assignments

3. Click the name of the Assignment

4. Complete the assignment in Canvas

NOTE: It is possible to open Realize from an assignment:
