

Procedure - Qualification of Attendance and Placement

Entrance Qualifications for Kindergarten Program

As a minimum, eligibility for the exemption from the age requirement will be based upon an analysis of the child's (1) physical, health and motor development; (2) social and emotional development; (3) approaches toward learning; (4) language, literacy and communication; and (5) cognition and general knowledge.

Admission of Students Aged Twenty-One or Older

The student will petition the superintendent for admission.

The petition will identify the student's name, age, address and grade level or program of study.

If approved, the petition will specify the tuition fee to be paid, will be signed by the student and the superintendent and will constitute the written agreement required by law. It will be retained as a public document and made available to the state Superintendent of Public Instruction upon request.

The tuition fee will be calculated in the same way the state Superintendent of Public Instruction determines the cost of educating a student in the district, except that a disabled student who turns twenty-one during the school year will only pay that amount of money deemed as "excess cost."
